

**Queries submitted by prospective bidders on ITB No.: UNFPA/NPL/17/001 “Printing services for United Nations System in Nepal”**

**Question:** Regarding the technical specification on the calendar which has a very vague technical specification on the calendar printing requirement. Please give us a total page count required for the calendar.

**Answer:** Due to an unavoidable circumstance, we are unable to provide you with the detailed specification for the item 10 “Wall Calendar” under Category 1. Therefore this item has been removed from the list and the bidders do not have to submit the price quotation for the same.
