Clarification of Bids may be provided only in response to UNFPA request for clarification or request for additional information.

25. Preliminary examination of Bids

25.1. Prior to the detailed evaluation, UNFPA shall examine the Bids to determine whether they are complete with respect to minimum documentation requirements, whether the documents are properly signed, whether any computational errors have been made and whether the Bids are generally in order.

25.2. The procurement official will determine the substantial responsiveness of each Bid to the RFP during the preliminary examination.

25.3. A substantially responsive Bid conforms to all the terms, conditions, and specifications of the Bidding documents without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:

25.3.1. Affects in any substantial way the scope, quality, or services specified; or

25.3.2. Limits in any substantial way, inconsistent with the Bidding documents, UNFPA’s rights or the Bidder’s obligations under the LTA; or

25.3.3. If rectified would unfairly affect the competitive position of other Bidders presenting substantially responsive Bids.

25.4. UNFPA considers material deviations to include, but not be limited to the following:

25.4.1. During preliminary examination of Bids

25.4.1.1. Absence of Bid form(s), change in the wording or lack of signature on key portions of the Bid form when this is clearly required. Any change in wording that is consistent with the standard format of the Bid form(s) is not a material deviation;

25.4.1.2. The Bidder indicates in the Bid that they do not accept important LTA conditions, i.e. related to Force Majeure, Applicable Law, Delivery Schedule, Payment Terms, General Conditions of Contract and Limitation of Liability;
25.4.1.3. Non submission of non-historical documents (documents that should be specifically prepared by the Bidder in response to this RFP) by the bid submission deadline.

25.5. If a Bid is not substantially responsive to the Bidding documents, it shall be rejected by UNFPA and may not subsequently be made responsive by the Bidder by correction of the material deviation, reservation, or omission.

26. Non-conformities, errors, and omissions

26.1. Provided that a Bid is substantially responsive:

26.1.1. UNFPA may waive any non-conformities or omissions in the Bid that do not constitute a material deviation.

26.1.2. UNFPA may request the Bidder to submit the necessary information or documentation within a reasonable period of time to rectify non-material non-conformities or omissions in the Bid related to documentation requirements. Such omission shall not be related to any aspect of the price of the Bid. Failure of the Bidder to comply with the request may result in the rejection of its Bid.

26.1.3. UNFPA shall correct arithmetical errors on the following basis:

26.1.3.1. If there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail, and the line item total shall be corrected, unless in the opinion of UNFPA there is an obvious misplacement of the decimal point in the unit price. In that case the line item total as quoted shall govern, and the unit price shall be corrected;

26.1.3.2. If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected.

27. Evaluation of Bids

27.1. The evaluation of the Bids will be carried out in a two-step process by an evaluation panel, with evaluation of the Technical Bid being completed prior to any Financial Bid being opened and compared.

27.2. The Financial Bid will be opened only for those Bidders, where Technical Bids reach a minimum score of 70% and whom have fulfilled the supplier qualifications. The total number of points a Bidder may obtain for Technical and Financial Bids is 100 points.
27.3. Information relating to the examination, evaluation, comparison, and post-qualification of Bids and recommendation of LTA award shall not be disclosed to Bidders or any other person not officially concerned with such process until the LTA award is published.

27.4. Any effort by a Bidder to influence UNFPA in the examination, evaluation, comparison, and post-qualification of the Bids or LTA award decisions may result in the rejection of its Bid.

Even though the Bidders may meet the above qualifying criteria, they can be subject to disqualification if they have made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements, and/or have a record of poor performance such as: not properly completing contracts, inordinate delays in completion, litigation history, financial failures, etc.

30. Financial evaluation

30.1. The Financial Bid will only be evaluated if the Technical Bid achieves the minimum score as indicated in clause 27.2 and is considered qualified through the supplier qualification process described in clause 29. Proposals failing to obtain this minimum technical threshold or those which will not be considered qualified through the supplier qualification process will not be eligible for further consideration.

30.2. The Financial Bid is evaluated on the basis of its responsiveness to the Price Schedule Form SECTION VI – ANNEX E: PRICE SCHEDULE FORM. The maximum number of points for the Financial Bid is 100. This maximum number of points will be allocated to the lowest price. All other Financial Bids will receive points in inverse proportion according to the following formula:

\]

### F. AWARD OF LONG TERM AGREEMENT AND FINAL CONSIDERATIONS

Any arrangement under this condition shall be made on the basis of the highest combined scoring Bid, the second-highest, etc.

33. **Rejection of Bids and annulments**

33.1. 33.2. UNFPA reserves the right to annul the RFP and reject all Bids at any time prior to award of the LTA without thereby incurring any liability to the affected Bidder(s) or any obligation to provide information.

34. **Right to vary requirements and to negotiate at time of award**

34.1. At the time of award of the LTA and any Purchase Order(s) pursuant to the LTA UNFPA reserves the right to vary the quantity of goods and/or services specified in the RFP without any change in the hourly/daily or any other rates or prices proposed by the Bidders or other terms and conditions.

34.2. UNFPA reserves the right to negotiate the price with the Bid winner before awarding the LTA to ensure that the Financial Bid is competitive on all aspects of the price.

34.2.1. The purpose of negotiations of offers selected based on the ‘cumulative analysis methodology’ is to ensure that the technical proposal is in line with requirements and that the financial proposal is competitive on all aspects of the price.

34.2.2. In the negotiations, any deficiency in the offer will be pointed out to the supplier. The supplier will be allowed to make adjustments in the proposal in order to improve and more clearly specify the contents of the offer. However, under no circumstances shall the requirements (Terms of Reference/specifications) be changed.
35. Signing of the long term agreement (LTA)

35.1. The procurement official will send the successful Bidder(s) the LTA valid for 2 years, which constitutes notification of award. After receipt of any Purchase Order(s) issued pursuant to the signed LTA, the successful Bidder shall deliver the goods and/or services in accordance with the delivery schedule outlined in the Purchase Orders.

35.2. The LTA will be established between the successful Bidder(s) and UNFPA to allow UNFPA to contract the provision of the specified goods/services. The resultant Agreement represents an offer on the part of the successful Bidder(s) to provide UNFPA with goods/services, at the prices agreed and under the Conditions of Contract detailed for the duration of the Agreement. These Agreements will not be considered as contracts, nor oblige UNFPA to any financial commitment whatsoever. Only Purchase Orders made pursuant to such Agreements will constitute a commitment on UNFPA’s part.

35.3. UNFPA reserves the right to discontinue the agreements if the supplier’s performance is not satisfactory to UNFPA.

36. Publication of Contract Award

36.1. UNFPA will publish the contract award on United Nations Global Marketplace with the following information: Supplier Name and Country, Description of the Goods or Services and the date of the contract.

UNFPA is incorporating environmental and social criteria considerations into the evaluation process, such as adherence to Global Compact requirements (more information can be accessed here, http://www.unglobalcompact.org/, or by contacting Procurement Services Branch at...

| PAYMENT TERMS | UNFPA’s policy is to pay for the performance of contractual services rendered and/or to effect payment upon the achievement of specific milestones described in the contract.  
UNFPA’s policy is not to grant advance payments except in unusual situations where the potential supplier, whether a private firm, non-governmental organization or a government or other entity, specifies in the Bid that there are special circumstances warranting an advance payment. UNFPA will normally require a bank guarantee or other suitable security arrangement in such cases.  
Any request for an advance payment is to be justified and documented, and must be submitted with the Financial Bid. The justification shall explain the need for the advance payment, itemize the amount requested and provide a time schedule for utilization of said amount. Information about your financial status must be submitted, such as audited financial statements at 31 December of the previous year and include this documentation with your financial bid. Further information may be requested by UNFPA at the time of finalizing contract negotiations with the awarded Bidder. |
| LIQUATED DAMAGES | In the event of a LTA being issued and in case the Vendor fails to deliver/perform the services in accordance to the milestones stipulated in the LTA and/or Purchase Order, UNFPA reserves the rights to claim liquidated damages from the Vendor and deduct 3% of the value of the services pursuant to the Purchase Order per additional week of delay, up to a maximum of 10% of the value of the Purchase Order.
