

Q: Are private sector companies eligible to submit proposals for this assignment?

A: No. Non-profit organizations are eligible to submit proposals for this assignment only. The implementing partner must be a non-governmental organization or academic institution.

Q: Can a non-governmental organization partner with a private sector company for this assignment?

A: No. A non-governmental organization cannot partner with a private company under the terms of this assignment. Any proposed partner must be a non-profit organization as well (non-governmental organization or academic institution).
